

CEBCO Benefits for Diabetic Supplies for PPO Coverage

Coverage for diabetic supplies and supplies for Durable Medical Equipment to control diabetes has created some confusion for our members. Some items are covered through prescription drug benefits and some items are covered through medical benefits.

To clarify; to access benefits for diabetic supplies, there must be a prescription.

The items listed below **in purple** are covered with a prescription (at a pharmacy) through your benefit with **Anthem RX** with no expense to you.

- ✓ Alcohol swabs
- ✓ Lancets
- ✓ Meters
- ✓ Test strips
- ✓ Control solutions
- ✓ Needles
- ✓ Syringes
- ✓ Disposal containers
- ✓ Ketone strips

The items listed below **in blue** are covered under your coverage with a prescription with **Anthem RX** (at a pharmacy) with the appropriate co-pay.

- ✓ Freestyle Libre
- ✓ Freestyle Libre 2
- ✓ Dexacom G6
- ✓ Omnipod
- ✓ Omnipod Dash

The items listed below **in red** are covered with a prescription/medical necessity order through your benefits with Anthem (medical) subject to deductible and co-insurance. (These are considered supplies to equip Durable Medical Equipment.)

- ✓ Infusion Sets
- ✓ Reservoirs
- ✓ Pump supplies

CEBCO's benefits for these items follow accepted insurance guidelines.
