

DELAWARE COUNTY

Employee Final Pay & Benefits Information

MEDICAL, DENTAL, & VISION COVERAGE

If you currently have medical, dental, and/or vision coverage, your benefits will end on the last day of the month in which your employment ends. If insurance premium payments were collected for coverage beyond that date, a refund for the unused portion will be issued. Depending on the timing within the pay period, the refund may be included in your final paycheck or issued separately and mailed to your home.

See COBRA information below.

COBRA

You will receive, via mail, the opportunity to continue your health, vision, and dental benefits under the Federal Consolidated Omnibus Budget Reconciliation Act (COBRA). You are eligible to take advantage of this opportunity within sixty (60) days from the date of loss of insurance coverage or the date you receive your COBRA notice, whichever is later. You may continue your present medical, dental and vision insurance(s) for yourself and/or only those dependents on your plan at the time of separation. If you elect continuation of coverage, you must pay the full group rate on a monthly basis plus a small administrative charge.

VACATION LEAVE/PERSONAL LEAVE

If you have at least one year of service in the Ohio public sector you will be paid for any unused vacation leave earned through your last day of work. Please note that vacation payout provisions may differ if you are a member of a bargaining unit; refer to your collective bargaining agreement for specific details.

Personal leave will not be paid out except for the applicable sick leave provisions (see below).

SICK LEAVE

Resignation/Termination

The previously accumulated sick leave of an employee who has been separated from the public service shall be placed to the employee's credit upon the employee's re-employment in the public service, provided that the re-employment takes place within ten years of the date on which the employee was last terminated from public service. This ten-year period shall be tolled for any period during which the employee holds elective public office, whether by election or by appointment.

An employee who transfers from one public agency to another shall be credited with the unused balance of the employee's accumulated sick leave up to the maximum of the sick leave accumulation permitted in the public agency to which the employee transfers.

Refer to ORC 124.38.

Retirement

An employee may elect at the time of disability or service retirement under the Public Employees Retirement System, to be paid in cash for one-fourth of the value of his accrued, but unused, sick leave balance accumulated with Delaware County. The total value of the sick leave paid, earned with Delaware County, as severance pay shall not exceed the value of 60 days paid leave. The payment shall be based on the employee's rate of pay at the time of retirement.

An employee, who has a sick leave balance that has accumulated with the state of Ohio, or any other political subdivision of state, may elect at the time of disability or service retirement under the Public Employees Retirement System, to be paid in cash for one fourth of the value of his or her accrued, but unused, sick leave. The total value of the sick leave paid, earned with another political subdivision, as severance pay shall not exceed the value of 30 days paid leave. The payment shall be based on the employee's rate of pay at the time of retirement.

The total value of the sick leave paid under this policy, earned with Delaware County and another political subdivision combined, as severance pay shall not exceed the value of 60 days paid leave. Payment for sick leave will eliminate all sick leave credit accrued by the employee at that time.

To qualify for this severance benefit, the employee must meet the requirements for a disability or service retirement and have at least 10 years of service with the state, any political subdivision of the state, or any combination of such service.

Bargaining Units

Sick leave payout provisions may vary if you are a member of a bargaining unit. Please consult your collective bargaining agreement for the specific terms that apply to you.

COMPENSATORY LEAVE

Non-exempt employees will be paid for any compensatory time earned through their last day at work.
