

## Transparency in Coverage Rule

Transparency in Coverage (TIC) regulations require health insurers and group health plans to create machine readable files (MRFs) that contain the negotiated rates for in-network providers and allowed amounts derived from historical claims for out-of-network providers. These files must be made available on an open access website **effective July 1, 2022**. CEBCO's MRF will be published on Anthem Blue Cross and Blue Shield's website (effective 7/1/22) under the following: <https://www.anthem.com/machine-readable-file.com>

The files will be updated monthly. To access the file, CEBCO's EIN must be used. The EIN is 33-1074275.
