Log in to check order status and access personalized information about your prescription benefits. When getting a new prescription, be sure to ask your doctor to write it for the maximum amount allowed by your plan, usually a 90-day supply. Make sure your doctor SIGNS and DATES all new prescriptions. We want to provide you with high quality medicines at the best possible price. In order to do this, we will substitute equivalent generic medicines for brand name medicines whenever possible. If you do not want us to substitute generics, please provide specific instructions, including drug names, in the "Special Instructions" section of this form.
