Top-rated health care now costs you less

Garner has no financial relationships with doctors. Recommendations are based solely on independent analyses, not commissions or fees. We recommend verifying that a provider and their services are still in-network with your plan on or before the day of service.

*Your out-of-pocket medical costs will qualify for reimbursement if:

- You have created a Garner account and added the provider to your list of approved providers prior to the date of service.
- Your provider is in-network and the cost is covered by your health insurance plan. (Check your health insurance plan.)
- The type of cost qualifies for reimbursement under your Garner plan. Depending on your Garner plan, costs for things like prescription drugs or emergency services may or may not qualify for reimbursement. (Check the "Your benefit" page in the Garner Health app to learn more.)
- If your health insurance plan is paired with a health savings account (HSA), you will need to incur costs greater than the minimum deductible. (Check the "Your benefit" page in the Garner Health app to see if this requirement applies.)
